

HOUSINGWIRE

February 3, 2025

DALLAS, TX — Today, HousingWire announced the winners of the 2025 Tech100 award, representing the most innovative and impactful tech organizations in mortgage and real estate. This year, 100 honorees were selected in the mortgage category and 100 in the real estate category, highlighting the cutting-edge solutions shaping the future of housing.

For the past 13 years, the Tech100 program has provided housing professionals with a definitive list of the most forward-thinking organizations in the industry. This list serves as a valuable resource for mortgage lenders and real estate professionals seeking trusted partners and technology solutions to address industry challenges.

“The 2025 Tech100 honorees are driving real transformation in mortgage and real estate,” said Sarah Wheeler, Editor-in-Chief at HousingWire. “These companies are not just enhancing processes—they’re redefining what’s possible. From streamlining lending operations to elevating the real estate experience, their innovations are paving the way for a more efficient and dynamic housing market.”

As the demand for technology-driven solutions continues to grow, the Tech100 program has evolved to showcase the best in both mortgage and real estate technology. This year’s honorees reflect the increasing caliber and innovation of applicants, reinforcing HousingWire’s commitment to recognizing companies that are making a lasting impact on the industry.

“Technology is at the core of progress in the housing industry,” said Clayton Collins, CEO of HW Media. “The companies recognized in this year’s Tech100 awards are leading innovation and delivering real-world impact to drive faster and more efficient processes in mortgage lending, capital markets, servicing and real estate. We’re seeing lending and real estate organizations separate from the pack through the development and implementation of technology that bolsters client experience, employee productivity and process automation.”

About HousingWire

HousingWire is an information services company that provides unique data and research, respected business journalism and must-attend events for housing leaders to use to advance their understanding and business outcomes. Our vision is a world in which housing leaders have a complete view of the housing market, and a broad community of peers with whom they can connect. We are committed to delivering the data, analytics, media, and events that advance this vision.

Because housing is too important for narrow perspectives and missed connections. Informed housing leaders are better housing leaders. A connected housing industry is a better housing industry. And the full picture always reveals new opportunities.
